## **WEBINAR - ForeFlight IFR Use, Step by Step**

Come spend 90 minutes with an expert who will teach you how to use ForeFlight in a real IFR flight step by step. This webinar will make you better and safer using basic planning and advanced tips and tricks most people don't know! Flight Instructors and IFR students are welcome as well as the experienced and professional pilots.

There is a small donation for this event to support PilotSafety.org, please refer to <http://www.PilotSafety.org/Webinars.html> for details.
